**We support
research and
promote
education
to end gun
violence in our
communities**

Join the Grandmothers Against Gun Violence Foundation (501c3) in its effort to end gun violence through research and evidence-based policy.

We believe that sustained investments in research on gun violence and its prevention will lead to policies, programs, and activities that will save lives.

The GAGVF is inviting individuals interested in serving on the Board of Directors and/or working on one of the Board committees. The GAGVF is particularly interested in recruiting a Treasurer and Public Member to the Board of Directors. Board terms are 3 years with an opportunity to renew for a second 3-year term. Committee commitments are for one year with annual renewals. Terms will start January 2025. Monthly time commitments are variable but are estimated to be between 2 and 10 hours.

Treasurer responsibilities include:

- Manage bank deposits and conduct bank reconciliation
- Manage bank disbursements
- Conduct monthly bank reconciliation
- Draft and monitor annual budget and provide regular updates
- Maintain financial records for the organization
- Provide regular reports to the Board of Directors

Board Committee responsibilities are as follows:

- Communication: The Communication Committee is tasked with preparing and distributing a quarterly newsletter, providing content for regular announcements or alerts of research findings or activities via constant comment, and other information about GAGVF.
- Development: Raise funds annually to support research and other programmatic activities. Fundraising might include 'Give Big' Campaign, contacting individual donors or granting organizations, and other fundraising activities as time permits.
- Education: The Education Committee is tasked with distributing research findings (research funded by GAGVF or others) to the public and donors via seminars, forums, webinars, podcasts, or print media.
- Research: Develop and distribute an annual Request for Proposal, review submitted applications, identify awardees, and monitor awardee progress.

Interested parties should contact gagvfoundation@gmail.com to find out more information regarding this opportunity to make a difference in preventing gun violence in Washington state.
